

Jim Raihan Gumay

WEB DEVELOPER & SEO

INTERSHIP/JOB EXPERIENCE

HUMAN RESOURCES STAFF (INTERNSHIP)

PT SGMW Motor Indonesia

Mar 2020 – Apr 2020 (1 month)

Here in SGMW i learn to manage the data, and make an report for the employe. The internship only takes 2-3 weeks. because in March - April 2020 COVID cases in Indonesia began to spread widely.

SEO CONTENT AND OPTIMIZATION

Kampus Dosen Jualan

Agst 2023 – Dec 2023 (4 Month)

In "Kampus dosen jualan" i be able to write articles that must be SEO friendly and 1000 words long for backlink articles, and I have learned Upload Articles in the Web such as WordPress, Blogger, ETC. I manage the website client.

HUMAN RESOURCES & ADMIN

BPPTIK Kementrian Kominfo

Feb 2024 – Apr 2024 (3 month)

This is my first intern for the Governer of Indonesia, so Everything is Formal.

Like the uniform, I must wear the Batik / Shirt. My Assigment is handleing Social media / admin for Traning class in BPPTIK. And doing the Admin thing, such as data processing, absent, etc.

Project Experience

2019

SMK Ananda Mitra Industri Deltamas

Smart Trash can

Back in 2019 in my High school I joined a "Karya Ilmiah Remaja" organization and my friends and I created a project, namely a smart trash can that use IOT in it, and it was a project that was applied in several rooms at my school.

Laravel

2022

President University

Food Ordering WebSite (PHP & MySQL)

This is my website which really works well and is a little complex, so I made this website with the help of YouTube of course with a few modifications.

2023

Presindet Universty

Idle endless runner game (Unity)

I have designed and developed the gameplay design process, which focuses on creating challenging levels and engaging gameplay mechanics. As well as controlling and completing challenging levels and also collaborating with the team.

2024

Bpptik Kementrian Kominfo

DEA (Digital Entrepreneurship Academy) Pemasaran Digital Dasar bath 2

This like a scholarship that runs in BPPTIK under Kominfo name, and I part of this project.

My assignment is to manage classes F and G, FYI there are classes A, B, C, D, F, and G. I make and absen and make the place where the participant and the teacher/speaker. And other admin stuff.
